

IMPORTANT CAUTION – FRAUDULENT SMS / IMPERSONATION ALERT

Customers/Non_Customers and stakeholders are hereby advised to remain vigilant regarding any SMS, messages, communications, or other correspondence received in the name of PUSHPAK FINSTOCK from unknown or unauthorized persons, individuals, entities, or groups.

We have come to our notice that certain unauthorized persons may be attempting to send fake, fraudulent, or misleading SMS/communications by using the name, identity, or credentials of PUSHPAK FINSTOCK.

PUSHPAK FINSTOCK hereby categorically clarifies that:

- We have no association, involvement, or authorization with any such unauthorized communication or activity.
- Customers/Non_Customers are requested not to respond to such messages, click on any links, share personal or financial information, or make any payment based on such communications.
- Any communication received from an unknown or unauthorized source should be independently verified with PUSHPAK FINSTOCK through its official communication channels.
- PUSHPAK FINSTOCK shall not be responsible or liable for any loss, damage, transaction, or consequence arising from reliance upon or response to any such unauthorized, fraudulent, or misleading communication.

Customers/Non_Customers are requested to exercise due caution and verify the authenticity of any communication before taking any action.
